Related Case No. C 04-05387 CRB

Pursuant the Court's Order dated July 8, 2005, the parties in the above entitled actions have agreed and hereby stipulate to amend the deadlines in this matter as follows. The parties agree that Verity's stipulation herein is without prejudice to its right to seek a further modification of the schedule pursuant to conditions set forth in the Court's Order of July 8, 2005. Verity contends that Inxight's continued delay in producing documents required by its experts to complete their reports will necessitate a further modification of the schedule. Inxight asserts that it will be producing all relevant documents shortly, that Verity created its own problem by retaining an expert with limited availability, and that no further continuance will be needed.

1. The deadline for written discovery and document production will remain July 29, 2005. The parties agree that depositions can be conducted through August 31, 2005.

2. The deadlines for exchanging expert reports and filing dispositive judgment motions will be extended by two weeks. The new deadline for the exchange of initial expert reports and the filing of dispositive motions shall be August 19, 2005. The new deadline for exchanging rebuttal expert reports and the close of expert discovery will be September 2, 2005.
